

## Building Bridges

On Thursday, September 25<sup>th</sup> a group of students and two teachers from Nossal High School arrived in Mobara for their visit to Chosei High School. Nossal High School is a new, high-level high school in Victoria, Australia. The Nossal students were able to enjoy their time in Japan making friends with Chosei students during their three-day homestays. In those three days, our Australian guests were able to experience a vast array of Japanese food and traditional Japanese culture. We sure learned a lot from each other while having fun. We hope to stay in touch with our new Australian friends and continue to strengthen international ties. Thank you, Nossal High School!
