### 2. Educational Principles

To succeed in the integration of Ichikawa Nishi Senior High School and Ichikawa Kita Senior High School, which starts in 2011, we, the staff of Ichikawa Nishi Senior High School, actively engage in the educational activities based on the following principles, goals etc.

### 3. School Motto

Respect for life

To foster thoughtful and rich mind to respect life, build up a healthy body, and cultivate qualities to create a safe and healthy life by and for oneself.

Feelings of thanks

To foster within students mind to be thankful to all the people and the things that support their lives and an attitude to live in harmony with nature and society.

#### Appreciation of beauty

To cultivate aesthetic sense and foster qualities required of the contributing members of society, who live in the international communities.

#### **4. Educational Goals**

To bring up the citizens who have a spirit of autonomy and independence; the citizens who have basic lifestyle and awareness of social norms, who actively work on academic activities and club activities, whose intelligence, morals and physical strength are well-balanced, who seek for world peace and safety in society and who live along with local communities.

#### **5. School Image we aim at**

1. Improving students' academic abilities to realize their goals
2. Raising students who have basic lifestyle and moral awareness, actively work on club activities , and have respect for life, while being thankful.
3. Cooperation among the members of the staff to act fairly, together and for the local communities.

#### **6. Points of Emphasis**

1. Root the rudiments and basics surely, while fostering fundamental knowledge and skills, the ability to think logically as well as critically, and the ability to distinguish between the truth and the false.
2. Foster basic lifestyle and sound awareness of social norms.  
Foster an attitude to be tolerant to the difference of others and respect life  
Foster mind to be thankful.
3. Enhance career guidance tailored to each student's interest and need, especially make every effort to provide students with substantial guidance on higher education.
4. Create hopeful school life, while fulfilling club activities, cultivating mental and physical strength to develop richness in mind and building up a sound body.
5. Promote to be open to the local communities, while raising students to be the citizens who seek for peace and security in society and are independent.
